County Council Staff Terms & Conditions

NHS We have two guest speakers explaining the crisis facing the Service and the disgraceful backdoor privatisation of services that is being carried out.

- * patients left in corridors waiting for beds,
- * operations postponed, and mental health patients taken hundreds of miles to find a bed.
- * 8,000 front line beds and 20% of mental health beds have closed.

The NHS has been starved of funding.

**How can we protect it?
Come and hear what we can do.**

We fully appreciate the main issue facing Council staff regards proposed changes to terms and conditions, including the loss of annual leave and changes to redundancy payments, this will form the major area of discussion at the meeting; we will endeavour to get through regular AGM business as quickly as possible to facilitate plenty of time to discuss the current situation.

**Major raffle prizes
to win on the night
Apple Ipad 32GB
Shopping vouchers
2 x £25
1 x £50
1 x £100**
