If you are finding your financial situation overwhelming you can contact Payplan and say that you are a UNISON member. Our Branch Welfare Officers Ged and Sara can give advice on applications to UNISON There for You our charity to help members in times of need.

Do you work in a school/council/ fire service?

You should have received your ballot to accept/reject the pay offer. **If not please contact us on 0115 981 0405**

We have been asked will this amount be removed next year? No, this amount will be added to your grade and any future offer will build on the new salary.

Survey results

The survey results have helped us speak with employers about the impact of the cost of living on members. Keep sharing your experiences with us, that way we can make employers aware (and the organisations that fund contracts) of the impacts on staff. We will send out a full update.
