

December saw Notts UNISON out and about. We held recruitment stalls and walkrounds in workplaces. Have you invited us to yours yet? Why not invite us in during January?

Workplace contacts and stewards can ask for packs to hold events at their workplaces.

### Casework

Stewards, officers and branch employed staff have been very busy with casework during 2022. We have supported members with attendance management, capability, disciplinary, grievance cases and have also provided advice and support on a range of queries and other types of case, each very important to our members who need us. Your first stop with any issue is the policy, take a look at it as we will ask you what it says or for a copy. We will also ask for copies of any letters/paperwork that you have received. Scanned is best (most smartphones can use a free scanning app)
