

InUNISON

April 2023

You are a member of one of the largest branches of UNISON

We want you to know what to expect if you need our help.

Your first port of call is your workplace UNISON steward. They can attend meetings such as investigation meetings, welfare meetings and help with workplace matters. They can also support with more serious issues if they are experienced. If you don't have one, now is the time to elect one. This is easy to do, just give us a call and we will guide you through this.

If there is a hearing where a final warning may be issued or you may be dismissed, we will usually ask a more senior officer to represent you (unless your steward is experienced and then they will do this too) Branch Officers do not attend welfare/investigation meetings, if you have not elected a steward from amongst the members in your workplace you will be able to take a trusted colleague, this is because there is no active representation taking place. **Please elect a steward now, before you need one in your workplace.**

NJC pay update 2023

Please take time to check your details are up to date, this is vitally important as we prepare to ballot members on NJC terms. Follow the link for the latest information on 2023 pay claim. Only union members get a say on the offer.

COUNCIL AND SCHOOL PAY 2023

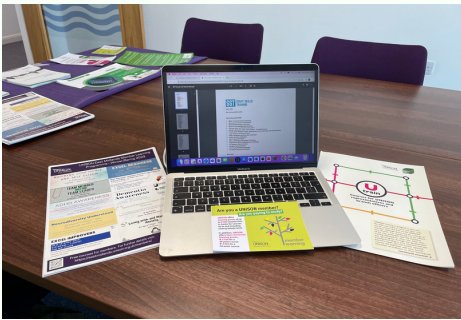

UNISON
the public service union

Meet Karen

Karen is our Branch Secretary. She is the most senior lay officer in the branch and oversees all activity within the branch.

March may have been a bit wet and wild but we were still out and about. Did you see us at our learning event in Newark? Attend an online Menopause workshop? An AGM? Or at a workplace visit at one of many workplaces in the county? Invite us into your workplace for a chance to win back your 2023 subs.

UNISON campaigns for safer working conditions for employees. We believe that everyone has the right to leave work at the end of their shift, in as good or better physical, emotional and mental condition as when they arrived.

Make this April the month that you get involved as a Health and Safety rep for your workplace.

CHRISTMAS PRIZE DRAW

14th December 2023

Instead of offering pens and sticky pads etc to members who come to a stall, branch run course, the AGM, workplace meeting or become a workplace rep during 2023 we will enter you into our prize draw that will see one member win back their subscription for the year.

Entry will be by providing your details at the event. The winner will receive their subscription back in time for Christmas.

You must still be a member on 14th December 2023 to be eligible.
