

Take the Knee with us on Tuesday 25th May

It will be a year to the day that the world witnessed the murder of George Floyd by a Police Officer in the USA. The Black Lives Matter campaign asserts the right for Black people to be treated as equals to White people. This is not a new battle but one that must be won.

Equality is something we believe in; the right for everyone to have fair and equal access to housing, legal support, Health services, Social Care and employment. To do this we must acknowledge and challenge the Systemic Racism that is embedded within our society and organisational structures.

We believe we can make a difference.

Will you join with us and take the knee on Tuesday 25th May to show your commitment to ending Racism in our communities and workplaces.

Send us your photo's and we will share them on Social Media
